yes i did,, You need to either be on site, or work with a photo. , we might need to add planters. I have tried to do this from a distance , it does not work. the new sketches are appreciated. however i dont think they work . maybe we need a diagonal,, there is a opening to the beach at the end of the path , and these sketches focus your attention on that,, the opening is not in the drawing therefore misleading. when will you have an hour or two .?

I am with clients all day visiting houses leaving early with their plane and back later tonight.

Give me the complete list of what you want resolved aujourd'hui.
