bill, as i am not asking for legal or accounting fees that were incurred solely to review all the documents that Isabel sent. I suggest you draft a settlement that has the full amount of restitution, and I will agree, otherwise I fear we will be at this for awhile. To be clear for full 267500, and allocated so there are of course no gains to Noam, we will agree, and you can draft doc for my review

Thanks. I will check with Isabel as to any realized gains in his publicly traded securities.

I will need to check on the tax benefit as I am not asking for interest on top of the investment...
I will need to find out if he had other gains that offset the loss unless your client is aware of some themselves.
Thank you

For Settlement Purposes Only

Dear Rich:

Bainco has authorized me to confirm that it will meet your demand with respect to Noam's investments in private equity partnerships at Bainco. Our understanding is that Noam invested a total of \$267,500 (through his revocable trust and his IRA) and received a tax benefit of approximately \$27,000 due to realized capital losses, resulting in a net investment of \$240,500. Bainco will pay that amount to Noam and Noam will relinquish his entire interest in the private equity partnerships (a portion of the settlement amount may be paid through a third party's purchase of Noam's interest in the RFID partnerships at his original purchase price). The settlement agreement will include mutual releases and standard non-disclosure and non-disparagement provisions. Please confirm at your earliest convenience and I will prepare the settlement agreement for your review.

Regards,
Bill
