attached are details on someone that Jay just hired to start in August 2018..  
Jay said he is paying him \$35 or \$40 per hour and if you like him we can make some arrangement whereby we  
contracted for Kyle and he would get support whenever needed from Jay or JPK..  
If you like Kyle credentials I can arrange a Skype

The other individual Jay mentioned was Yannick (from PR who speaks spanish and English)  
He is currently on JPK staff and managing both the AYH and Yacht Haven construction  
He is an architect by profession with a lot of design experience - Yannick is familiar with all aspects of  
construction as his grandfather was a contractor and fatheran engineer..  
I can arrange for you to meet Yannick on your next visit..

Jay also mentions Dave below which we did not discuss yesterday

Here is our employee that may work as a project manager for you

I have another person - Dave Giza - who would be interested in the position. I am waiting for his resume to  
send you. He is very qualified and familiar with local construction realities.
