1. i was never in love with ghislaine , and never told her otherwise. (you can check). 2. are you echoing the parole lecture by using the word resentful.. he kept saying , you will never get ahead if you say you are resentful . the real reason you went to jail "was that youwere responsible for your actions" that s what put you in jail. yes, you say you are resentful, that you are being asked to leave. when you igonre the fact that your actions are responsible for being asked to leave I am responsible " shoudl replave resentful. That was part of his lecture on self esteem. 3. No one makes fun of you or has anything but admiration , that you compelted your pilot traing. They all see it. they recognize it. they respect it. the flip side is they all witness your pettiness jealousy, lack of contribution. THOUGH I have asked you all wek to siit and try to agree on expectataion.s you chose not to.. I am still willing to do it. .. 3. you asked how people with a small amount of their sentnce left , flee. . look in the mirror for the answer.
