I just spoke with Brice and he told me the following:

He does not recall exactly how many cows are needed for tax exemption. He is going to make a phone for number however he believes that each cow qualifies a certain amount of acres. He also told me that Eddie has approximately 60 cows that are bred into 120 and then he sells off 60. Zorro owns the 5 longhorns on the ranch.

Brice said that you approved this upon the hiring of Eddie in 2006.

Eddie pays expenses for cows such as hay, vet expenses and minerals.

Eddies receives all revenue and pays taxes on the cow profits.
