Proposed note to Faith for your review. Do you want me to mention anything about the real estate that she is talking about?

Faith,

I just want you to know that I myself have already spent a great deal of time on this and were it not for your guarantees to Jeffrey that your attorneys had a proper way to structure this, which they clearly did not, we would not be in this position at all. Jeffrey asked me to get it done and advised that you were very emphatic that Stephen was going to arrange a sale to a third party at 3-5 million dollars. i had been working on that assumption, provided repeatedly by you to Jeffrey, in order to structure something, It was only at the last second that the story suddenly changed and gummed up the works. I will review the Operating Agreement and speak to Jeffrey about it. you then sent your husband to jeffrey , who told us that he did not know how the financial statments were prepared and who did them
