Jeffrey,

I went to home the other night and found similar ceramic tile for .80 a square floor.

They also informed me they do not do any tile installation.

Thank you

laundry tile

1. tile purchase ,I personally went to home depot and they had tile for .88 cents a sq.ft.I sent Bill down the next day to pick it up and the cheap tile had all been bought.I personally then went to a flooring company at sub base and found tile at .99 cents a sq.ft. and we used it.

2.we have three bids from tile setters other than Dennis Boone who is behind on the master and has the kitchen as well,and went with the lowest(Phillip Marks very close to Dennis's cost) to do the laundry(done) and the laundry roof coral stone(under way)

This particular job was not bided out because Dennis has been the low bid on all previous jobs.

The laundry room was done by a different vendor at \$ 10 per square foot. Dennis charge is \$ 6 per square foot but he wasn't able to do this job because he had too much on his plate.

Jeffrey

The ceaserstone(kitchen floor) fabricator that Dennis Boone was using in Maimi has failed to perform and has been paid \$20,000

I need to take it over and get it done direct.It will require me to pay for the material again.We have a fabricator who promises to get it picked up/fabricated/shipped next week.Dennis can get it installed for the cabinet delivery.

We have a lot of work that Dennis is doing and I believe we can we will get our money back from him,and he acknowledges the debt.

Do I have your OK to proceed
