Spoke with Adam Bly last night for an hour. He seemed to be agreeable with almost all of my tough terms of a deal. I plan to speak with him again this am at 9am before his board call at 1030am. I have two areas to kill deal.

A) deal size to small to make a difference to you plus the amount of time I must spend to baby this is a poor use of my time

B) Imm cash for 51percent should be 75 to 80 percent due to accrued liabilities and bankruptcy costs.

Please advise

Rich reached out solely to vendors who can do the work but no one else who can generate a master plan, cost savings and a upgrade overview of all systems such as Source 1 – can I have an extension until next week to ensure that Source 1 is the proper company after speaking with at least one comparable company?

No word from Doug – Should I reach out to him?
