Jeffrey,

I guess Arran is extremely nervous he just came in here accusing me of trying to get him fired. I have been doing a lot of snooping around all over LSJ and asking a lot of questions and talking to a lot of people so I think he may have gotten wind of what [REDACTED] doing. [REDACTED] sure that Brice will not be too happy about this since he is always protecting Arran from any kind of harm or disciplinary action.

Thank you
