yes, they had NY together at her place, then she wanted to go out. he got crazy, punched her in front of all the friends.

and he stole her phone, called me at night and was threatening me and then sending me insulting texts from her phone. then she came to provocateur, her lips destroyed and i told B to go home without me and stayed with her the whole night. she wasnt all right. finally B send us the driver and she went home. i gave her my phone,i called her to make sure she was home safe and ok, she was going to sleep and we will talk today when she is awake. I told her to go to police, but the guy told everyone she was on C... so she was afraid they would do a blood test... i will talk to her seriously tonight, she is loosing it and people are thinking she is crazy. even Arty told me - watch out... i told her she cant go with C anymore, i think it was her ex who got her into this.

i had a talk with B last night. he swears the ring will be ready on Jan 5. waiting

happy new year! what a night!!! but i m feeling much better, thank you!
