The appraisal was not from a third party but from the broker. I am ready to go ahead however, the foundation will require a real third party appraisal.. christies. sothebys or another unrelated third party

Lesley,  
The provenance on the cello was sent to me today. Would you like me to fax or send E mail . This was something Jeffrey inquired about when he called me a week ago and told me to get this done. I have not heard from him this week as what was told to me on Monday . No worries as I assume he us crazy busy however the representative of the cello did inquire today where we are with deal.  
Thanks  
W
