Not in NYC currently, but will drop you a line next time I'm there.

Jeffrey,

I'm working on a new project with a fund based out of Connecticut/NYC. In a nutshell it is a crypto volatility fund + exchange (I'm building the exchange).

Might be an interesting conversation for you to talk to the finance side guy (I'm interested to hear your take too). If you like, I can put you in touch. Preferred means on contact, if so?

Best,

Jeremy
