Mr. Epstein, I received word from Larry to complete the 6th floor system.

I'm planning on departing tomorrow night to NYC for a wed. morning start on the 6th floor and hope to have completed by end of day Friday ready for your return.

The Sony Qualia projector will be installed and a HDMI cable will be added.

I have in the Auddessy Pro Mic that I will bring with me to complete the PRO set up in the Integra Preamp.

I'll install the Sunfire Amps to the existing JBL Speakers and add the 2 Sunfire Subs.

We have a new Blu-Ray dvd player with Netflix and Pandora built into it.

The existing Crestron remote will be reprogrammed to work all new equipment.

Would you like me to still provide an AppleTV for this room?
