Sorry Jeffrey for what I wrote to you. I realize I've exaggerated (like always). I often tend to mix fantasy with reality. You are right, I have to work for it. I will send you the contract as soon as I get it. Hopefully for the office, if not then for the shop.

If I was just working for the money I would be a prostitute and make 10k per week and wouldn't ask for your help. Maybe this is what you want me to do since the only thing you are truly interested in is how much money I make and my salary. You told me I'm not allowed to do internships to learn because it's "not paid". I don't know how I am supposed to support myself and pay a rent, living and all the life expenses with a normal job plus save money to buy myself a house in the future. It's Impossible. This is the only solution I'm thinking about if I don't want to rely on you since you left me alone

"taking money for one thing spending it another and then hiding it". Yes, I took a film class after the school was already paid. You decided to

interpret it in such a sick way. I would have never thought this would cause such a drama for you. Since I was born I've always had the freedom and the chance to choose whatever classes I wanted in school (even if I didn't pay it myself) and I didn't know it would cause such a reaction to you. I'm sorry for what happened. I apologized many times already

Sad to hear that the only thing you care about is your money. What serious damage did I do to you ? You use the term stealing when the only thing I did was taking a film class I was interested in after the semester was already paid. I didn't take any extra money for it. You make it sound like if I robbed you or I don't know what, telling me horrendous things for years, even after I apologized.

What you did to me was much, much worse because you interrupt my studies, left me in the street and all this in the middle of my growth without carrying about my future and all the psychological consequences that followed, including my attachment to you.

I cared about you more than everything and loved you more than anything I have ever seen or imagined and you hurt me greatly treating me like a pair of shoes.
