Jeffrey,

Both companies I was able to get were cheaper

Company used by Gary is Grade – All charged \$ 190 per hour + \$ 300 mobilization charge totaling **\$ 4,860**

I contacted A 9 Trucking and he quoted \$ 170 per hour so 3 days would be **\$ 4,080 (no charge for mobilization)**

Cheyenne quoted \$ 165 per hour and he said he did not need a grapple and the he could move and place stones without it this would come out to **\$ 4,360 (includes \$ 400 mobilization charge)** and he said if we had a week's worth of work he would drop the rate to \$ 150 per hour. He is really slow and needs the work

VI equipment did not have an excavator for rental.

Thank you

Jeffrey,

I contacted the company that Gary rented the excavator from and he gave a rate of \$ 1,440 per day. Gary got a rate of \$ 1,520 per day.

I contacted another vendor I know that was in this business a year go and he told me he charged \$ 1,280 per day so even though it one year ago. I don't know if Gary got competitive bids or not on this.

How do you want me to handle this invoice of \$ 4,860 ?

Thank you
