Jeffrey

These need to be paid. The pool contractor was due deposit prior to starting, and he has steel, plumbing and forms underway

Jeffrey

Would you approve this budget in advance of finalizing it from plans so Emad can pay for current activity. we are not committing to any serious dollars at this time, mostly pool work

Jeffrey

Do you have any budget comments? this is as close as we can estimate til the plans near completion, and eliminate the assumptions .

We are purchasing materials that are known for structures but Emad will not authorize payments til you approve the budget.

Please advise
