Scott has just reviewed with me the attached quote for 5 new desktop macs and related software for HBRK and [REDACTED].

I am convinced with Scott having the equipment in hand it will make Saturday's transition more productive.

The total cost is 11,818.39.

Does Scott have your approval to place order?

leslie at DARENs office

leslie at 71st

Emad has a mac I have a mac Darren has a MAC

Leslie is a priority as she is the gateway to JEs professional interactions.

It is clear that the team is concerned that change is coming.

Change is coming monday 9am "new world" starts and things will be better, faster and more reliable.

This meets the deadline set by Jeffrey for me and Jermaine.

Bill is Booked for 10am sat, I will be working Sat and sun to make the switch as smooth as I can.

I encourage you to get this hardware approved so I can finish the removal of the old network from 71st.
