I was attempting to explain the fact that as my crime was sex for money, therefore the crime carries with it the less severe designation of an Offender. as opposed to the more sever designation of a Predator. In response to why are there different levels of designation , I said like in the criminal system there are different crimes with different punishment.s Crimes that range from stealing a bagel to murder / I regret the misunderstanding, There is not a day that goes by that i don't regret some of the decisions of the past.
