tried calling you a couple of times

am in FtL getting a new MAC and attending to some business before flying back to Jamaica this Tuesday

was not intending to visit you but just have a short chat

can not figure out quite what to say to John Brockman—best would be to have his son Max represent me—if i get myself organised i will copy you on the chance that you may wish to say i seem as 'brilliant' as ever or whatever is true and that i am very active with multiple ideas (e.g. Honour Killings)

all best, as always
