the roof should not be flat at the edge but mirror the main house. not the bedroom,, also i would like to see an image from the courtyard to sense its goofiness.

Jeffrey,

Attached please find the views of the +47' scheme (not the one we reviewed this morning), with the plaster walls in lieu of all stone. We also added the views from the master bedroom.

We are still reviewing the terrace concept we discussed this morning. And we will send you the new flagpole pool images shortly.

Thanks,

Warwick
