They already changed my ticket ..if its possible to change it back, i just need any place to live these days..until 11 of april.

But living in paris is too expensive.

If they not gonna change, i need any money to bring for my mom.. once i promice her, that i will solve all her problems, we are almost homeless in ukraine. She has to live with person who hated her all her live, stepfather.

Just to have any place to live, i was sharing one bed with my mom until i started travelling...

Its very complicated situation.

And i will do anything for her.

And for you, Jeffrey.

Just help me please, any way you think its possible and convenient for you.

I have just wednesday.

Thank you.
