Yes, I believe 6 times, paras 12, 18, 19, 86, 91 and 92. Named as part of the "criminal enterprise"; claimed to have helped recruit underage girls by creating the impression with JLB that legitimate modeling opportunities were available; claimed to have been a person with whom underage females were coerced into acts of prostitution; identified in the RICO allegations and claimed to have advanced her own interests in obtaining minor girls for sexual purposes and concealing the enterprise.

Plse review – the only additional changes are that I am going to add that GM did not introrduce andrew to you – this is with a view to getting the legal papers, which I have to get by law in UK within 7 days, that the paper claims to have seen  
Question – who is [REDACTED] or what is this that is referenced here? When did this come out – was this around the same time as Rothstein or what info can you supply me with. I have not seen that before nor was aware of it.
