Subject: FBI has indicated that it will reopen its criminal investigation into Epstein

Daily Telegraph tmrw front page- GM's pic again but no other comment. Focus increasingly on D of Y and "new information."

... the FBI has indicated that it will reopen its criminal investigation into Epstein after receiving new information. He was convicted in 2008 for soliciting an under-age girl for prostitution. Sources in America have said the FBI could ask the Duke to give evidence as part of the new investigation.
