---

Greetings Mr. Epstein,

March 11 photographs for your review and comments:

Kitchen banquette  
Kitchen drawer  
Pool main compound  
Flagpole pool  
Library floor stain samples  
Globe  
Sarah's office trim painting progress - first of two coats applied  
Steps

Little office - Gary Moses is laying out the electrical plan for Gary Kerney's review - no photographs for March 11.

Entry - there has been no activity at the entry since the March 5 photographs - I will send many pictures of the boulder basket this week as requested.

Landscaping - the ficus and jasmine hedges off the back terrace and along the steps leading to the master were planted March 9 and photographed March 10. Landscaping maintenance in progress today - no photographs for March 11.

Respectfully submitted,

Daphne
