Jeffrey,

Crowley quote is STT to Jacksonville and trucking to NM (estimated 2 weeks from sail of ship)

20' container is \$ 6,250
40' container is \$ 6,650

Tropical to Florida is much more expensive for the same 2 week time table.

However if this is not a rush Tropical can deliver in a 3 week period (this will go from Tropical STT to PR and than loaded with Horizon which will sail to Houston and than trucked to NM)

20' container is \$ 5,702
40' container is \$ 6,752

I also found out that Tropical uses Horizon to Elizabeth NJ in case you ever wanted to ship something to NY (this is something new within the last couple of months)

Thank you

Emad Hanna
