Well, I am not sure we are "nowhere" because we know where she lives and what she drives.

On the other hand where she lives is about as difficult a location to watch as possible and DST has not expanded our morning window.

Your preferred work location of choice is basically impossible to watch.

I still find no case where she has appeared as attorney of record or court appointed lawyer.

I have poked around with ex-RRA folks and the best I have heard is "there was a rumor an ex-FBI agent was hired," but none have recognized the name so far.

It appears she has never sold a townhouse she purchased in 2001 in Alexandria, VA but as a person hooked into the system it would not be hard for her too keep such a unit rented.

I have another attempt on the schedule next week but we have to realize that as practicing attorney, a government attorney, an agent. etc. she might not have a 9 to 5 schedule.
