I got an offer a few months back. Job talk is Friday morning.
I mentioned it to you - it was about the same time as I got the Qatar offer. I think once I was announced as the Hoffman lecturer there (neurosrg) there was a lot of interest.
Things still pretty miserable here. I have tried over the past few months to make sure that it isn't "me" or something hormonal.

My talk is pretty cool I've been working on it for awhile. It is called "The Best Coma Talk, Ever"

Why not add some humor?
:-)
