Glad to do it. I am also very concerned about the remnants of the PR on the internet and at some point we need to talk about that too.

I am happy to get the full group involved, but should I be talking to Roy then about PR? By the way, I spoke with Paul Tweed today who felt the op-ed had only upside and very little if any downside.

I do not want to fall into the same pattern as the last time. confrence calls where I am asked to make a decision where the group , comes down equaly 50 % wholly for 50% wholly against. and I need to referee.. This is South Florida , Marie, Acosta. Ferrar,, . Roy has the best feel. He is team leader. He has the respect of the local judges prosecutors etc. He gets to decide.
