The cable is due in this week to the vendor from Italy and I will have them fedex it to LSJ.

I'm not sure what you're referring to regarding an added piece of glass

Thank you

Jeffrey,

I was wondering if you are pleased with the new window on Nana?

If so do I have your approval to send the vendor the \$1,000 that he asked for prior to making the new set of windows?

Also he has the original windows do you need me to take any action on those or can I have him trash them?

Thank you
