Jeffrey,

Attached please find 3 pdfs (multiple images in each), of the 3 Living Room locations we discussed yesterday. Note, these are rough views with the basic changes you requested. We have not cleaned up the surrounding areas, or addressed stairs/changes. This is what you requested to "play around with".

23-1: This is the same model we reviewed yesterday, with the Living Room floor raised 3'.

23-2: Living Room floor is raised 3', and Living Room is shifted east.

23-2: Living Room floor is raised 3', and Living Room is shifted west.

Please let me know if you need any more views.

Thanks,
Warwick
