True. W all the disruption in ur life I thought u were putting it on hold. I was meaning to ask u if u cud pay for the transcription service that will turn the file to text to me but it didn't seem appropriate in the last months. Can I send u or [REDACTED] that link? I researched the best one...I may be able to then work on this on weekend. Need to discuss ur audience and tone and motivation so I can hit it in the head. (I.e., Is this just for content to be used for SEO? Or do u want to establish a public-facing voice?)
Let's talk latr.

Have much to tell you. And want u to come to bday party on fri.
