Jeffrey,

I just had a meeting with a top decision maker of SAFE (State Administration of Foreign Exchange). What was discussed between you and I will be an exception in China and thus the first, but it is doable. I will need to pull resources and get approvals from SAFE, from Shanghai municipal government, and from a state owned bank to make this happen, but I can make it happen.

If you are serious about this, I can come meet you in NY for this around May 14<sup>th</sup>. Are you available and should I come to meet?

Desmond
