Greetings Mr. Epstein,

Photographs of May 3 for your review and comments:

Library waxing - The cabinetry in photograph #2 - "Library waxing (2)" - has dark wax applied on the right side, and clear wax on the left side. Curtis said he stopped applying the dark wax at your request, and has requested advisement on whether you would like him to remove the dark wax so the entire cabinet is finished in the clear wax, or should he apply the dark wax to the left side of that particular cabinet to match the right side and even out the color overall.

Library outdoor furniture
Library mosaic
Jules's work at wall and area behind theatre
Landscaping cleanup on road to Library
Relax room
Cottage 4
Flagpole pool area and pool house
Tiki Hut floor
Trench for power to Flagpole point

Respectfully submitted,

Daphne
