By the way, that you then do not say that I have something do not, I warn you beforehand. I would be happy to engage with your girls, you know I love them, but I have no membership to the gym, but with a guest pass I can go maximum of 1 time per month on the rules of the gym. Therefore, we can only run, which I do, sometimes alone, as it is today, and sometimes with Jane - tomorrow. (Because everyone has his own pace).

Jeffrey, do not blame me, that does not depend on me, please.

You know what the casting - you never know when they will end. No one imagined that it would be a few designers and some designers have come after 3:30. I told you that one designer is very late and I did not even stayed at the fitting hastened to you, because you have not told me exactly the time and said, "when the casting is over."

I had a busy day yesterday and I was going to provide full time to writing to you.

By the way, an absurd coincidence, I passed a good test for admission to the school and the director has determined me to the highest level. It's fun. I will change the level, although the Director said me to watch and get used to.

Thank you again for school

You got money for school yesterdY ., no thank you until today . You tell me casting is 130 to 330 , ask to be picked up and come at 430 . You are not doing things that make me happy. Be careful

"Something nice". Okay, I'll try to find roommates, but I do not understand then why did you say what you want me to have my own space. And you say that money is no problem for you

and you're ready to help. I would also prefer to concentrate on my studies and exercises but do not fight for the toilet and kitchen.

I will try to find, but just wondering what happens?

Good morning, dear Jeffrey!

How are you? How is a weather in Paris?

Thank you for the money for school. Thank you for school! I have already started to learn. I liked the last study.

And I have a good exercise with Jane. But I think today I will run alone, because she was a little sick, but I feel that I need more. I run every day after school.

I try to find an apartment is cheaper, but it is very difficult to talk about such serious things with my English. Only cheaper studio in Harlem ... In Soho - still more expensive than in the area. I'll try to see more options, but one which I told you (on 60 Street and an Avenue - Furnished studio) - so far the best I've seen and is ideally Subway to study and travel down the city.

I'm terribly miss you !!!!!

Tell me something nice ... )

Big kisses

Anastasiya
