Hey Jeff. Trust all is well. The house in La Jolla will be completed end of June. It went smoothly. Moshe Safdie's daughter, Taal was great to work with and the design will be architecturally significant for sure. Philip has been living in Soho the past year or so and his business (Prince Media Co / [REDACTED]) has been going well. He wants to remain in ny long term. I'd love for him to come up and visit with you some time. Let me know if you plan a trip to La Jolla so you can use the house. I think you'll love it. I've been to a few events at the Neuroscience Institute, which I know you are involved with. An impressive place with great architecture. Biz is good. Best, TK
