its not my expectations that are at issue. . I told you that to get into school , you would have to pass a test. you should learn to type. study, practice new things. look at you tube. you prefer to instagram pictures of food and silly things to your friends. I want you to win so i suggst how you move the pieces on the board to do so. you choose to ignore my suggestions and want to do it your way. seems silly to me. I tell you these are the numbers to choose to win the lottery, you tell me you'd rather choose your own. ? !! ok . if you prefer to do it your way over winning , its your life.

I'm blaming you, not the rest of the world. You don't give support and then take it away in the middle of the growth of a person. It's inhuman

I did my bes to try to get you to stop . but you continued always with an attitude. you traveled to [REDACTED]. to learn and all you had to do was tell the truth and not steal. and then you still refuse to accept your own role and continue to blame me and the rest of the world.

Still, this doesn't allow you to distroy the life of a person. You compromised my studies, my future, my hopes, everything. For a matter of trust you left me in the street. Don't know if you realize the gravity of what you did...

Sad to hear that the only thing you care about is your money. What serious damage did I do to you ? You use the term stealing when the only thing I did was taking a [REDACTED] I was interested in after the semester was already paid. I didn't take any extra money for it. You make it sound like if I robbed you or I don't know what, telling me horrendous things for years, even after I apologized.

What you did to me was much, much worse because you interrupt my studies, left me in the street and all this in the middle of my growth without carrying about my future and all the psychological consequences that followed, including my attachment to you.

I cared about you more than everything and loved you more than anything I have ever seen or imagined and you hurt me greatly treating me like a pair of shoes.
