hi jeffrey,

..i was looking at the sketch you gave to me, and i was thinking...what if i would do the waves exactly like you did in the sketch., eventually without the blue outline

it would be like your drawing on that floor...it would be like your signature somehow..i was thinking that would be nice seeing that drawing being in the air above the island...

in fact i was thinking at this because i like how you draw those waves.. ( please check the attachment..i attached here your sketch)

so what do you think?

anyway, i will come tomorrow morning 9:30 at the house, maybe we can talk more... sue called me, she told me about some fish you want me to do in the between waves..

thank you,

ion
