Dear Rich,

Here are a couple links that you might find fun to watch. This is what we have begun to do on St Thomas by incorporating Powerwalls into home owner's solar arrays. We have a dream to create a renewable and self-powered St Thomas.

<https://www.youtube.com/watch?v=VZjEvwrDXn0>

<https://www.youtube.com/watch?v=fkQBVoS9IAo>

We want to give power back to the people, literally! By having a Powerwall or Powerpack you can take complete ownership of your solar electricity instead of letting WAPA borrow it and then give it back to you. This allows you to have power even when WAPA is down.

Attached are testimonials from some of the people we have installed Powerwalls for.

Hope you like the videos!
