Harry,

According to our clients, a settlement meeting has been set up for tomorrow regarding the Epstein matter. We understand that Jeffrey Epstein, Pete Briger and Glenn Dubin will attend. We further understand that Rick Noble, an in-house counsel at Fortress, will attend the meeting as well. This will confirm that the parties you represent are in agreement that (a) Mr. Noble may attend the meeting, and (b) all matters discussed at this meeting will be considered confidential settlement discussions that are "off the record" for arbitration and other litigation purposes. If you disagree at all, please let me know.
