1. [REDACTED] fled the country with an outstanding arrest warrant for grand theft. . She has falsely accused many others of sexual improprieties and the authorities have and I quote found her to "lack credibility", She was paid thousands of dollars by the tabloids to attack Andrew. Here statements have never been taken under oath, but by lawyers whose partner, [REDACTED] [REDACTED] was recently sentenced ot 50 years in prison for crafting FAKE cases against Mr Epsint,

1. Do Jeffrey Epstein and Ghislaine Maxwell share a home in London or anywhere else? Do they still see each other? Does Epstein help support Ghislaine? Her friends tell me that Ghislaine once loved Epstein. Does she still love him?

I do not share any homes anywhere with Mr Epstein; he does not support me in any way at all. Mr Epstein's sentence and the circumstances to which that related occurred many years after our relationship had ceased. I have had a long term committed relationship with someone else for the last seven years

2. The Mail on Sunday published a photograph showing the Duke of York with his arm around [REDACTED] [REDACTED]. Standing off to one side in the photo was Ghislaine Maxwell. The newspaper said that this photo taken in Ghislaine's London home. Was it? Did Jeffrey Epstein take the photo? If not, who did?

I can't say I remember being in London with Ms [REDACTED] at all. Of course, I've seen the photograph of the Duke of York with [REDACTED] [REDACTED] in the press but I have absolutely no recollection at all of the photograph being taken which is not surprising given that it was allegedly taken over 10 years ago

3. According to [REDACTED] [REDACTED], Ghislaine Maxwell recruited her as Epstein's "sex slave" when she was 15 years old and arranged for her to see Andrew three times—at Jeffrey Epstein's homes in London and New York and on his private Caribbean island, Little Saint James—where, [REDACTED] said, she'd been "sexually exploited by Epstein's adult male peers, including royalty." Would Ghislaine please comment on this assertion by [REDACTED] [REDACTED].

Ms [REDACTED] was living with her fiance and working in a spa I believed as a trained spa professional at the time we met. She was hired by Mr Epstein as a masseuse. I was not responsible for making any arrangements for her or responsible for her schedule and would not have made arrangements for her to see Prince Andrew. It is important to note that Ms [REDACTED]' civil suit against Mr. Epstein, along with her allegations in it, emerged in the public domain at the time that [REDACTED] [REDACTED] was creating his false claims. Mr. [REDACTED], one of the lawyers who continues to promote this story, was working for, and a Partner in, the now defunct law firm of [REDACTED], [REDACTED] and worked with [REDACTED], the former chairman and CEO. [REDACTED] [REDACTED] was recently sent to jail for 50 years for, among other things, manufacturing false legal claims against Mr Epstein and then using those false claims to obtain money by deception.

You know that Mr. [REDACTED] destroyed people's lives by fabricating fictitious settlements of non-existent lawsuits and

selling interests in those fictitious settlements to unsuspecting investors. In pursuit of his evil and greedy plans he exploited the U.S. Legal System and perpetrated unthinkable acts including forging the signatures of judges and marketing these fake settlements and cases to bilk investors. Investigations continue into the now defunct firm, and those who worked for the firm, and, as a result, I would expect any ex-partners and other ex employees of the [REDACTED] firm that were involved in this illegal scheme to be subject to charges and legal proceedings. You should also be aware that Ms. [REDACTED] had previously made other sexual harrasment claims against several different people prior to her filing suit against Mr Epstein which were not pursued. Ms. [REDACTED] lack of credibility was cited. You should also know that Ms. [REDACTED] was arrested for stealing money and failed to appear in court for her hearing in connection with that arrest at some point after she ceased working for Mr Epstein. It is probably fair to mention that she has been paid a large sum of money by at least one British national newspaper, for her 'story' aside from any other monies that she has received, which given her history, which also includes a number of other highly colourful events, you should treat and view anything she said or suggested or now says with great skepticism as she and the press are highly incentivized to create and perpetuate this story regardless of the truth . To that point at no time did Ms [REDACTED] ever tell me that she was ever exploited in any way and nor did she ever tell me or share any stories about other people she massaged and nor did she discuss with me the people that she saw in any other context.

4. The Mail on Sunday and other newspapers ran the story about Andrew's rendezvous with [REDACTED] [REDACTED] in Ghislaine Maxwell's London home. These reports said that Jeffrey Epstein and Ghislaine Maxwell left the Duke of York and [REDACTED] [REDACTED] alone for several hours, and that the next morning Ghislaine Maxwell told [REDACTED] [REDACTED] that the Duke had a good time. Would Ghislaine please comment on this story. What did the Duke tell Ghislaine about his rendezvous with [REDACTED] [REDACTED]?

I believe the continuing press on Prince Andrew and Mr. Epstein is in large measure part of a blatant attempt to game the system by a lawyer against whom Mr Epstein commenced a civil lawsuit for abuse of the civil legal process and by newspapers who love and need a sensational story that sells papers regardless of truth. Trying to tie Prince Andrew to Mr. Epstein's story is part of that plan because without that tenuous link there is no story as these events took place over 10 years ago and Mr. Epstein was investigated sentenced and has completed his sentence. This story of Prince Andrew and Ms [REDACTED] in London is I believe completely fictitious.

5. The Mail on Sunday said it had evidence to support [REDACTED] [REDACTED] story—flight logs from Jeffrey Epstein's Boeing 727 and Gulfstream jet. Was Ghislaine Maxwell on these airplanes and who else was onboard?

I can't say I remember being in London with Ms [REDACTED] at all and neither can I remember flying with her. I fly hundreds of hours a year all over the world and would be hard pressed to say what plane and with whom I was flying even within the last year. I do not recall the trip at all nor any of the events described

6. According to a sworn deposition by Juan Alessi, a former employee at Jeffrey Epstein's Palm Beach estate, Prince Andrew attended naked pool parties and was treated to massages by a harem of adolescent girls.

I've met the Duke of York on a number of occasions but whenever I've seen him he has been fully and properly attired and I have no knowledge nor seen naked pool parties at Mr. Epstein's home and I have not witnessed the Duke in a massage.
