This is from Riley. The attachments are two of Riley's reports and two sets of police reports. I believe the PDF attachment labeled "Police Reports" is the one you are interested in. That PDF of VR Police Reports contains the reports regarding two alleged sex assault incidents. P 31 of 52 of the police report PDF file includes a reference to ASA Bowman's letter stating that the case is not being pursued because VR is not credible. There is another reference to charges being dropped against a defendant with respect to the other alleged sex assault incident based on an ASA letter. That is on page 52 of 52 of the attached pdf of the police reports. Riley sent no letters just the police reports.
