I see that you have sent a copy of the Trust to Sheri. I do not see any reason for involving Deborah. Please send the copy to Richard Kahn, so that he can forward it to the litigation department at Steptoe & Johnson.

Shari –

My apologies to you (and to Noam and Valeria) but as my message indicated I have already notified Deborah of your request. That said, your observation that Noam is a beneficiary of the trust and should thus be entitled to ask that I provide you with a copy is understood. I will forward a copy to you tomorrow.

Thanks,

Max

Max, Noam has requested that I obtain a copy, and inasmuch as he is a beneficiary, that would seem reasonable. I do not believe they have communicated about this meeting to Deborah Quinan, and therefore would ask that you not in case they prefer to be that first contact. Thank you, Shari

Good afternoon Shari –

My apologies for the slow reply, but given the tensions surrounding this matter I felt the obligation to check with Deborah Quinan (as current counsel to Noam) before sending you a copy of the trust. ██ awaiting her reply and will get back to you as soon as I have authorization.

With appreciation for your patience,

Max

Max, hi. I am meeting with Noam and Valeria Chomsky in Arizona in a couple of weeks. Would you be able to send me by PDF a copy of the trust? Many thanks, Shari
