Good afternoon,

FYI - Stanley Rose called the Island today, he lives part time between St John and Boston. One of his advisors (George Church) had mentioned to him that he had visited with you and thought that you might be interested in the group that they have assembled and the kinds of opportunities that they are pursuing. He was hoping that you might find some time over the next few weeks either to talk over the phone or perhaps in person.

He mentioned that he would be in NYC 7/14 - 7/15 and will be back in St John later in July

I have attached a bio on Rose Ventures which also has Stanley Rose's contact information

If you require any further information please let me know

Warmest regards
