Mr. Epstein Paul Livigni of Merrick Construction would like to get in to see the property today to see locations for vibration monitoring and prisms. He would also need access tomorrow for the site survey and the installation of the monitoring equipment . Is this ok . Richard

Richard,

Our monitoring consultants are available tomorrow, starting around 9:30 am, to perform/install the Survey, vibration monitoring and prisms. Any and all parts can be completed tomorrow. Please advise if this is convenient or when access will be permitted. I am available today to review and coordinate the entire process so we can expedite the time at your building.

Thank You,

Paul J. Livigni
