Ok, this I can open, and will read. For what it's worth, one person who knows Strauss Kahn very well told me that what happened was that DSK had ordered a girl from an escort agency and then the chambermaid came in at the same time the escort was due, and there was a ...misunderstanding.
Anyway it looks as if she's the one who's going to get put away.

the story is false allegations , in a world of google. unpunished accusers. fear of appearing insensitive. My favorite take away line from the Struass Kahn feminazis,, " these revelations mean little. don't forget that even liars can be raped "

Jeffrey, for some reason my computer won't open the attached file. Maybe it's too easily shocked! By the way, I don't think that the English press failed to question the veracity of [REDACTED] out of fear of feminists: they just believe that some stories are too good to check out.

the accuser in strauss kahn , has been found to be a liar, the accuser in andrews case is worse,, [REDACTED] story was bought by the news of the world,, in the strauss kahn case , she hoped to get money in the future and told her boyfriend , unfortunately for her (it was recorded) , that she hoped to get money,, not one english newspaper questioned the veracity of Andrews accuser, all being too frightened of the feminist backlash,, I attach [REDACTED] readily accessible police record. she also accused alan dershoqitz, ehud barak and a number of other celebrity figures of sexual misdeeds
