See below, I think it prudent to wait until the contract is signed to begin the pre buy...Larry your thoughts . Let me know and I will alert AAG accordingly.

Also the Nigerian and I spoke , he intends to have his rep here the 28 or 29

My advice is we do prebuy week of 25 followed by closing first week in August, to do before that is rushing this based on the way Aetna moves.

On my cell all day Wednesday

George

The attorney who handles aviation is out for the week and unfortunately I can not get anything back to you until next week. I apologize for this, but our hands are tied. We are still going to bring the helicopter to AAG on Sunday. The attorney will be back Monday and the consensus at Aetna is that your changes to the contracts were reasonable and should be accepted quickly. I am fine with rescheduling the pre buy for later in the week or at the start of the week of the 25th.

Ted
