I think a great opportunity has arisen. Just like the headlines of a hotel maid now proven to have lied in the Stauss Kahn case. The girl who accused Prince Andrew can also easily be proven to be a liar. I think Buckingham Palace would love it. You should task someone to investigate the girl [REDACTED], that has caused the Queens son all this agro. I promise you she is a fraud. you and i will be able to go to ascot for the rest of our lives. I know there is a public police report that no one has had the courage to publish, as they do not want to be seen attacking a " victim", but being falsely accused will be the new headline

If you rewrite your last email in better grammar, (and so I have a better understanding) I can cut and paste and send it to Arianna Huffington from me.....

Did you know why Prince Albert's Charlene fled to the airport with a one way ticket back to South Africa? Because she found out about a third illegitimate child that is 3 months old...the palace officials followed her to the airport and propably made her an offer she could not refuse...will get details from Jim Coleman when he comes home Sunday night.

In Southampton now. Peg

should you point out to Ariana Huff, that the same type of person, same as strauss Kahn i s Andrews accuser, ,long criminal record. total liar. Ariana should champion the dangers of false allegations. send a reporter or reporters to investigate,.. the palace would love it, the girl in the photo , was nothing more than a telephone answerer,, she was never 15, according to her version she worked for trump , first at that age, at MAra lago. ITs ridiculous. but the press like strauss kahn is afraid to question women.
