Jeffrey,

As always, I appreciate you thinking of me. Let me give it some thought as to whether this would pose a conflict. Also, I don't want you doing something you are not comfortable with just so we can work together. If it happens great, but I certainly don't want you doing something you wouldn't otherwise do.

If you have been following the issues of Rupert Murdoch, and News intl. He closed one of his newspapers in London, after it was caught hacking phones. Well, there is no love lost at the palace for him. They say they have evidence that the NY post hacked my phones, to get to Prince Andrew. They paid a girl to make crazy allegations re Andrew. Murdoch is terrified that there will be a lawsuit in the states that alleges Rico violations etc. He is also nervous about a FCPA action, but less so. His bid for Sky news has been delayed, New intl, is a 40 billion dollar co. The palace has asked if I would bring an action in new york. a) I am not a sympathetic figure, but the girl who accused Andrew is even less credible than Strauss Kahn's maid. b). I'm not sure if I want the battle. c) I'm not sure if you would be conflicted. as The girl was interviewed during my Fla case. d) you would need to decide the cause of action. As you know I d like to find something for you and I to work on together.
