They are playing the same game they were playing with us, delaying things as much as possible, until we couldn't follow up anymore, because of all the intense commitments and travels. They will try keeping this pattern going on. Eventually they will benefit from it.

Richard,

I am not sure what that means. I will give Max a call tomorrow late in the day. It might be helpful for you and I to speak before that at 3:30 tomorrow so that you can bring me up to date. Are you available then?

Thanks,
Deborah

Dear Richard,

I found a voicemail from you on Friday and no emails that I have not responded to. That being said I will call Max tomorrow after my husband's surgery to reiterate urgency regarding getting the list of potential successor trustees from him. In this regard I sent you an email on December 28th requesting follow up information requested by Max on Reid. If you would be so kind as to respond to me with that information that would be helpful. Please let me know if you need me to resend the email to you. I am available to speak with you

tomorrow afternoon after 3:00 and anytime on Thursday except between noon - 1:00 p.m. Please let me know a convenient time.

Thanks,
Deborah

I'm sorry I am not aware of any missed calls or emails from you. The last I recall was an email from Noam to Max to which I believe Max responded. My husband is having surgery tomorrow but while I am waiting for him I will be able to go through emails and voice mail to track down any I may have missed. I will be back in touch tomorrow.

Thanks,

Deborah
