There has been a new development in my Ohio case that makes it possible the hearings will end in a dismissal before Wednesday. Brady/discovery violation issue that may short-circuit the week long schedule for evidence on govt misconduct. I will not know for sure until Monday. I know Jay and Jack and others will be covering Wed hrg but did not know whether you saw any advantage (given cost) in my flying in Tuesday nite if the hrgs end before then.

I have advised Joe I am free all today and was free after 5 y-day (Holmes' atty has travel conflict) and also available all weekend for either the interview or a t/c on strategy with anyone you want on phone.

I know I will be free Tues at 1 even if still in Youngstown so Joe asked for the call with Holmes atty to be set then although I am hopeful he also prioritized this weekend as a better alternative based on your conversation with him y-day. I will email Joe to see if this weekend can be scheduled for the t/c with Holmes atty. I have an outline but fear he will either not know/assert privilege so it may be best for him to have his client in his office at time of call.
